

## Health and Safety Policy

*Joseph Haulage Canada Corp.* is committed to the prevention of all accidents on and off the job and the protection of the health and well-being of all employees, suppliers, sub-contractors and customers.

*Joseph Haulage Canada Corp.* will maintain the highest standards for occupational health and safety in the design and operation of our equipment and will comply with all laws and regulations applicable to the Company's business and all other parties involved.

*Joseph Haulage Canada Corp.* will provide training for employees and sub-contractors to ensure that the policies and procedures are understood and can be effectively implemented.

Management will develop appropriate standards and procedures, will train all parties involved to work to those standards and will monitor all performance for continuous improvement opportunities.

Every manager and supervisor is responsible for providing a safe and healthy work environment and will inform employees, sub-contractors and customers of any potential dangers.

All employees and sub-contractors are responsible for working safely at all times.

**Geoffrey Joseph**

*President & CEO*
